

SHORE

Keep in Record Safe

# LOG

PRESENTED BY

THE SENIOR CLASS  
OF 1946

# Retrospect

The time has come for us to leave Shore, and with it the memories of the most exciting and happy days of our lives. Here, we have formed friendships which will endure throughout the years. We have acquired a foundation for the achievements of our dreams.

Now, we are preparing for the work of the future but we can't help reminiscing, recalling the incidents that made up our school days: The terror of assembly appearances . . . the thrill of the choir at Christmas . . . the gossip at lockers . . . the joy at our team's victory, the intense sorrow of a defeat, the proud satisfaction after decorating for the Prom, and the sad, sentimental feeling when we sang our Alma Mater.

Now, we must say "so long" to high school-days and look ahead. But behind us is a memory which we will never lose.

# Dedication

To the Shore Boys who made the Supreme Sacrifice to preserve our precious American Way of Life which enabled us to experience a happy school career, the Seniors of 1946 do most respectfully dedicate this book.

# Alma Mater

Green is the springtime,

White is the snowy Shore,

Colors that I adore,

Of our Shore High.

Springtime may pass away,

Snow linger but a day,

But thee I'll love for aye,

Our Shore High dear.

Dear are the mem'ries,

Golden the days of yore,

When we acquired lore,

At old Shore High.

Time may bring vain regret,

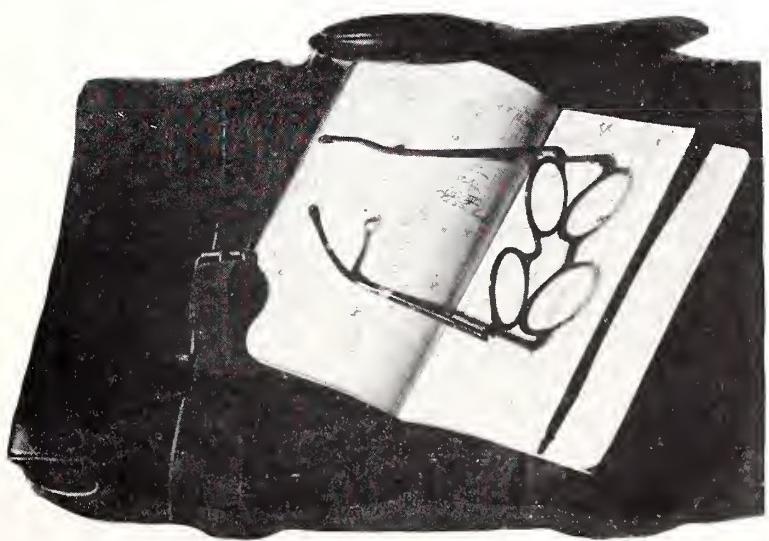

Sorrows may irk and fret,

But thee I'll ne'er forget,

My true Shore High.

## National Honor Society

Those who are high in the attributes of Leadership, Scholarship, Service and Character are eligible for membership in the highest honorary organization that Shore High School can offer. The members of the National Honor Society are elected from the upper third of the Junior and Senior classes.

In February the Society holds an initiation ceremony at which the new members are elected. Mr. Whiteside and the members remaining from the past year are in charge of conducting this assembly.

## National Forensic League

With a scholastic rating in the upper third of his class, and twenty public speaking and inter-scholastic debate points, a student may become a member of the National Forensic League. An additional thirty points entitles one to hold the degree of Merit, a total of one hundred means the degree of Honor, while a total of two hundred points bring the highest degree, the degree of Distinction.

Mr. Baumer believes that this year's squad will carry on the traditions of fine debating and speaking, for there are many outstanding speakers in the group.

## National Quill and Scroll

Outstanding Journalistic work is recognized by the grant of membership in National Quill and Scroll. Students who are in the upper third of their classes and have done superior work for the Breeze or Annual are qualified for membership.

Mr. Vaughn selects those on the Breeze staff who he feels have done exceptional work, while Mr. Angene selects the best talent from the Annual Staff. If the example of the student's work which is sent to national headquarters is approved, the student then becomes a member of the organization.

## Ad Committee

The Ad Committee is an invaluable organization in the school. Pre-sale of tickets for all football and basketball games is handled by the committee's members. These games, wrestling meets, and the enormous task of running the District and Sectional Basketball Tournament, are the responsibility of these students, under the supervision of the athletic manager, Mr. Spangler.

People are chosen for this committee only if they are dependable, have good scholarship, and are not on the team.

The Ad Committee is strictly a service to the school, and the only social event is the annual banquet held in the spring, celebrating the end of their duties for the year.

The Student Council is an organization which represents the whole student body. Each home room elects a boy or girl which in turn participates in the meetings. Any student becoming dissatisfied with some activity in the school, reports it to the council. This is the most important organization in the school and it is under the capable leadership of Miss Lemon.

## Log Business Staff

The quality of any annual greatly depends upon the work of the Business Staff, for, to the Business Staff is assigned the task of raising money. This is done principally by means of subscriptions, advertisements and boosters.

Members of this staff trudge tirelessly from dealer to dealer, seeking promises for ads, and then trudge some more to collect the money from those who have promised.

Although entirely indispensable, the staff enjoys little of the glory of directing others; each individual must work, and work hard.

Directing this important work is Miss Phypers, and we thank her sincerely for her able help and guidance.

Each year the Editorial Staff accepts a challenge—the challenge of making a bigger and better annual. The accomplishment of this goal can be attained only if everyone cooperates. Even with this cooperation, however, the publication of an annual requires long hours of work on the part of everyone.

Decisions constantly confront the staff: what paper shall we use, what kind of printing do we want, how many pages can we afford, to mention only a few. Perhaps the most important problem is that of fairly representing the entire school, and making the entire annual interesting to as many people as possible.

## Breeze Staff

Due to the cooperation and hard work of all its staff members, the Breeze has again excelled in high school edition. The National Scholastic Press Association has awarded the Shore Breeze a first class honor rating.

The Breeze boasts 550 eager subscribers and despite the ending of the war it still has a mailing list of over 250 servicemen.

Mr. Vaughn is the faculty advisor of the paper.

## Euclid School Enrollment Up

2009 over 1940

Present Enrollment in All Schools, 5139; Every Room in Use

By Bill Hansen

With the staggering enrollment of 5,139 students, the Euclid school system has made an increase of 510 pupils over last year and 2,009 over the 1940 enrollment. All schools have a boon of incoming pupils which must be coped with in the present existing conditions.

Every room in each of the five Euclid schools is filled to capacity. Even former rooms that were used for storage and the like have been reconverted into class rooms to care for the added load.

Kindergartens have experienced the greatest gain in enrollments. The high school gain has been rather low compared with this kindergarten gain. Reference to the birthrates, however, show that during the 1930's the births were low. These are the students that are now in the high school. Comparatively, the birthrate five years ago was very high, hence the influx of many kindergartener students.

With such large enrollments, Euclid school boards have been able to maintain an extremely stable attendance record. High school students have the highest average of attendance but the elementary grades and the kindergarten also have high percentages. At Shore the attendance for the high school was 97.55% and for the elementary school 96.99% for the month of September.

Any new students in the Euclid area will meet with considerable difficulty because of crowded conditions. Plans for the new high school will be a pressing issue from now on.

## War Chest Drive, October 17 and 18

War Chest contributions will be collected at Shore in a two-day campaign next Wednesday and Thursday.

Miss Edith Lemon is in charge and will be assisted by homeroom teachers and home-room council representatives. "Although there is no set goal this year," stated Miss Lemon, "I hope all students and teachers will give as freely as they can."

A goal of \$700 was topped with \$829 in student contributions last year. Teachers and custodians added another \$331 for a total of \$1,070.

Before the war students made token contributions, but during the war the increased need caused increased contributions.

## You're Not Seeing Double or Cross-eyed- It's Just Mike and Ike

Many Shoreites have been wondering lately if they are becoming cross-eyed or just seeing double. After all, when you see TWO brown corduroy jackets and TWO plaid shirts go down the hall at once, you do begin to wonder!

Don't worry though. You just caught sight of Ike and Mike. These freshmen bought their jackets together, but their other identical features are all accidental. Their bangs and shoulder bobs are stylish, everyone wears "mocs" and plaid shirts, and pink shell-rimmed glasses are vogue. These girls combined all of these at one time and in so doing became Ike and Mike.

Even the faculty has become confused. Mr. Schwegler had to give them an admittance day and sent it up with the words "Please admit Ike and Mike". As soon as Mr. Hinch found out who Ike and Mike were, Nancy Setron and Nancy Will, (gee, even their names match) were dubbed. From now on, just call them Ike and Mike.

When they're together they are known as Ike and Mike but when they're not together it doesn't matter which is which.

## Tentative Cast at Work on Class Play

Nervous moments are not over for the juniors yet, since only a tentative cast for the play "Nothing But The Truth" has been chosen. As yet no definite decisions have been made by Director Baumer about who will be assigned to any part.

Mr. Baumer who has played the lead Bob Bennett, many times himself, started right off on Monday practicing the most difficult (embarrassing) parts first.

The character in the play are as follows: Gwen Ralston, feminine lead, a young, unconcerned woman; Bob Bennett, male lead, a serious (so to speak) young business man; Mrs. Ralston, Gwen's society mother; Ethel, scatterbrained young lady who thinks she can play the piano and sing; Sable and Mable, witty light-hearted sisters; and Martha, the maid.

Bishop Doarn is a serious go-getter of money for his church; Mr. Ralston, Gwen's father, is out

only for himself. Van is a middle aged and dry humored man; Dick Donnel, a young man and is inclined to be a wolf.

The production staff as yet has not been chosen.

## 4 Students Will Debate at Shaw

On October 19, four Shore seniors will travel to Shaw for a judged debate on the question "Should every able-bodied boy have a year of military training before the age of 24?" As yet, the names of the participants has not been announced.

## P.T.A. Family Night and Open House To Be Held October 24 at Shore

A talk entitled "Getting Along With Each Other" will be given by Mr. Frank Suhadolik, Librarian of the Intercultural Library, at the P.T.A. family night and open house on Wednesday, October 24, in Shore school at 8:00 o'clock.

With the end of the war, the P.T.A. has selected for its theme for this school year "Children and World Peace". These programs are planned to promote a better understanding of international and inter-cultural ideas. Mr. Suhadolik's

## Eisenhower's Band to Come to Shore for Victory Loan Rally

### Teeter Returns To Substitute for Harper

James Teeter, former Shore music teacher, will take over Monday morning the duties of Mr. Harper in the two Euclid high schools while Mr. Harper is in the hospital. He will return to the Euclid school system as regular teacher sometime this school year.

Mr. Teeter has just returned from the European theater of the war after being in the army for three years and eight months.

Mr. Teeter was a band and orchestra leader at Shore until he left for the army in 1942.

He made his first appearance at Shore since he entered the service at the Shore-Orange game last Friday. He was all smiles as he walked about greeting faculty members and former students. It is needless to say that Mr. Teeter is glad to be back and he said that copies of the Breeze have kept him well informed about activities at the school. He received the Breeze fairly regular.

### Music Program Set for Nov. 30

The senior choir and several other of Mr. John Beck's musical organizations along with the band under the direction of Mr. Harper will present an evening of joyous musical entertainment Friday, November 30.

The popular song "If I Loved You" especially arranged by Mr. Beck's son, Lawrence, "Song of Freedom", and "I Heard A Forest Praying" will be some of the songs featured gal night.

Soloists for the evening will be Judy Wilkinson and Tom Ramona.

The selections by the band as yet have not been announced by Mr. Harper.

### Program Oct. 30; Is Official Opening for Cuyahoga Co. 8th Victory Loan

Eisenhower's 84 piece band will officially open the eighth National Victory Loan drive for Cuyahoga County in the Shore auditorium on October 30.

In this program, open to the public, Eisenhower's name band will present a stirring concert.

Mayor Sims has been instrumental in securing this spectacular prelude to this vital Bond drive.

With peace at our doorstep, it is the public's task to welcome it in by supporting this drive. It is the hope of officials to jam the auditorium for this occasion.

Dr. Loos voiced his opinion early this week that he hopes Shore will have the opportunity to aid by boosting the announcement of this event.

This is undoubtedly one of the greatest features that has ever been held within the four walls of Shore's auditorium. Details have not yet been settled. Mayor Sims and Mr. Erwine have held consultations and will be able to disclose more facts in the near future.

### Dr. Dunham Speaks To Senior Class On Liberal Arts

Junior and senior English classes were privileged to hear Dr. Dunham, head of the German department at Ohio Wesleyan college, speak on Wednesday, October 10, during the eighth and ninth periods. Dr. Dunham's topic was "Liberal Arts and What They Mean To Us". All students taking a college preparatory course were invited to attend this lecture.

Dr. Dunham is from Dayton Steele high school. He graduated from Ohio Wesleyan in 1929, then spent a year studying in Germany, and received his Ph.D. at Wisconsin University.

Dr. Dunham is the chairman of a group responsible for the New Humanism course given at Ohio Wesleyan.

Liberal Arts is one of the most discussed subjects in college circles today. Chicago University and Harvard are stressing the need of this type of education and Ohio Wesleyan also fully supports this belief. Wesleyan's curriculum is based largely on this belief. Therefore, Dr. Dunham was sent to Shore to lecture, not as a sales campaign, but to make this field work a part of their educational plan.

### PHIL ANDERSON

A speedy senior quarterback and good ball handler, Phil will be missed next year.

### DON ANZELLS

A sophomore end, Don is a sure tackler on end runs.

### GEORGE BECK

Senior George received his football baptism at Maple Heights. His two seasons here showed his dependability. He is a good team man.

### ROBERT CURRY

An excellent place kicker, and a strong defensive player, Bob was rated with the best in the conference.

### WARREN LEVITT

A valuable junior who will be back next season, Warren's power and excellent punting make him a fine backfield man.

#### JIM HIMES

Jim's love of the game has kept him on the squad for three years. His spirit and fight will be missed.

#### CHARLES HILL

As ball handler, and quarterback, Chuck is the key man in the intricate Shore offensive. He is a junior and the smallest man on the team.

#### NORMAN KOZAN

One of the "big boys" on the line, Norm is a senior tackle. A scrapper, he is one of the most popular boys on the squad.

#### STAN KOLLAR

Mitz's senior year was his first as a regular. An excellent defensive player, very few yards were gained around his end.

#### JIM FERRO

A Senior whose spirit and love of the game will be missed, Jim's speed makes him a good backfield man.

#### DICK LANESE

One of the fastest runners in the league and a fine defensive player, Dick was unanimously chosen as all-conference. He was also captain of the team.

### DON LEWIS

Don has seen much action as substitute tackler. He should be a regular next year.

### PAUL STEGHAMPER

"Steggie" is an all-round utility man. He answers a coach's dream of a boy who can learn any position, quickly. His only desire is to play.

### CRAYTON MAST

The "roly-poly boy" won a letter as center in 1944 as a sophomore. Now he has come back as a hard-driving full-back.

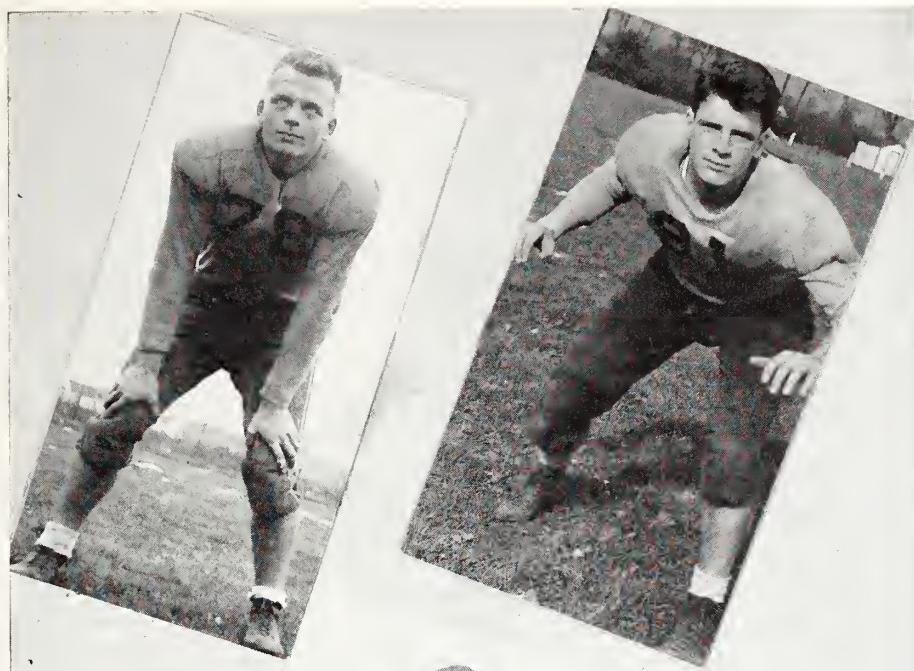

### CHUCK MILLER

This scrappy little Junior guard is always in the line playing hard to win. Chuck's ability will greatly strengthen next year's team.

### JOE MAYER

Joe improved week by week. Team mates often tell how difficult he is to move from guard spot in scrimmage session.

ED SULLIVAN

"Brother" Sullivan, about the fiercest player in the league was chosen as all-conference. His play calling from guard sparked the team. His spirit will be missed next year.

JACK ODELL

A Senior halfback "Odie" is noted for his fight and team spirit.

DON McLEAN

A junior, Don held the regular position at center. He has done an excellent job as a snapper back.

HERB STRAIN

## Track Team . . . 1945

The cindermen ended their 1945 season in third place for the second consecutive year.

The E.G.G.C. meet this year was the closest meet in the Conference history. Brush was first  $77\frac{1}{2}$  points, Central was second with  $87\frac{1}{2}$  and Shore third with 87.

Coached by Mr. Swackhammer, the boys have bright prospects for 1946. This year's team will be strengthened by such veterans as Jack Odell third and second place winner in the 220 and 100 respectively, Stan Kollar workhorse of the team, who performs well in many things including quarter-mile, high jump, hurdles and Jim Ferro ace-broad-jumper who suffered only two defeats all year.

ART NEVAR

The other half of the mid-year duet was Art Nevar, who was an artificial half-hander. Art was the high scorer in many of the games.

JERRY TARANTINO

Leaving a gap in the team at midyear, Jerry performed admirably as forward for he switched from running guard this year. Jerry's team cooperation will long be remembered.

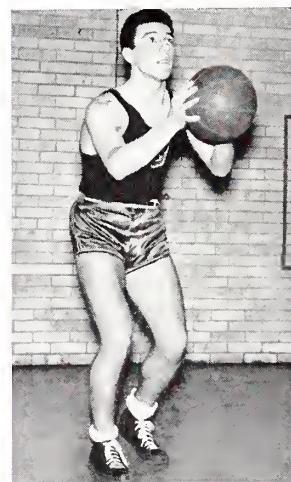

STAN KOLLAR

Building up a reputation for long "swishers" Stan took top scoring honors in numerous games. He won a berth on the all-conference second string.

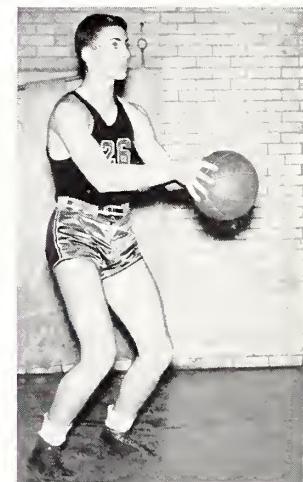

AL LACHANCE

Six-foot-three of cage player, Al is the biggest boy on the team. He loved to play and gave all he had.

DICK LANESE

Unable to play until January because of a football injury, Dick watched from the bench. He quickly and ably took over the position of right forward.

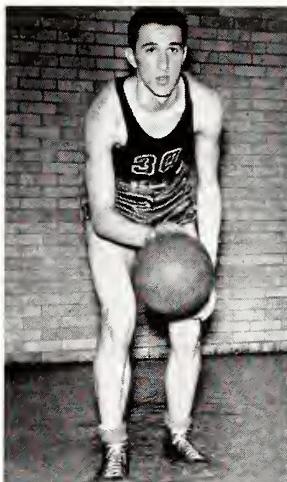

WARREN LEVITT

Warren will be among the foundation players for next year's team. Cool and aloof, never flustered, he will be a welcome addition to the squad.

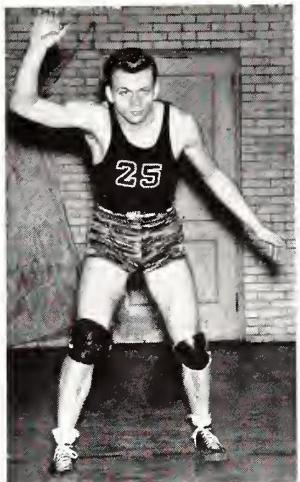

DON McLEAN

Don was also among the boys who made the all-conference team. He started his basketball career as varsity material during his sophomore year.

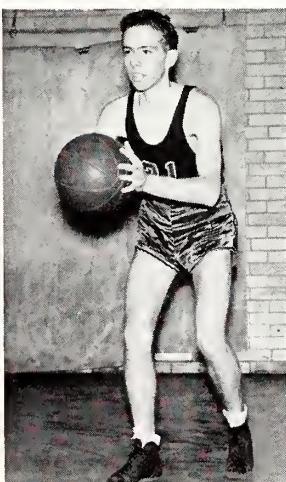

JACK OBERT

Lean and tacky, Jack, although only a junior, is already a veteran varsity man having made the varsity squad in his sophomore year. He was selected as all-conference.

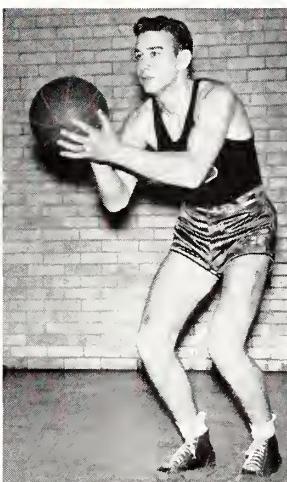

JACK ODELL

Jack played his first year on the varsity this season. His speed and ball handling are remarkable. He is versatile running guard and joker of the team.

DEXTER ROLLA

Dex is small for a basketball team but he makes up for his size with speed and dexterity. Being a natural southpaw, he is in line for left forward on next year's varsity.

RONNIE STROBEL

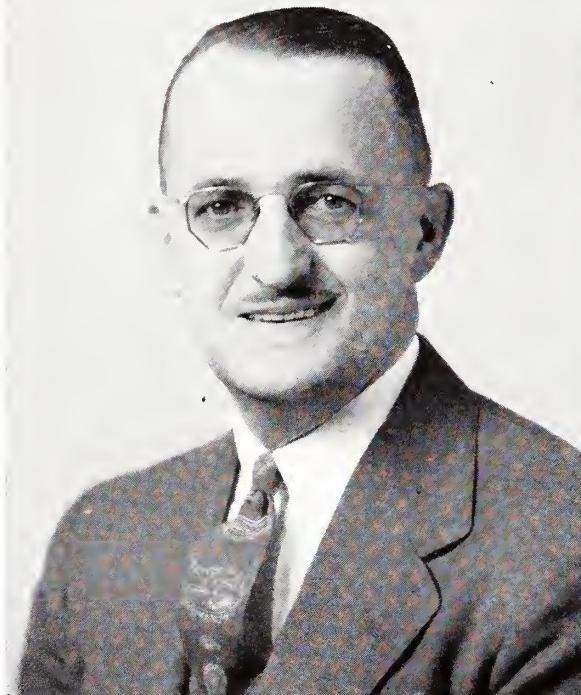

Coming out for basketball as a senior, Ronnie proved himself worthy of a varsity position and added spirit to the squad.

ED SULLIVAN

The wild man of the team, Ed put all his left-over blocks and tackles from football to good use on the basketball court. He probably stole more passes than any other player in the conference.

### "WOMEN IN WHITE"

"Steps!" calls the girl in the white uniform. Obediently the blue-clad players follow her direction for they know her position and respect her statements. She is a Girl's Leader, chosen on her qualifications as an athlete and scholar, and her dependability, character, and initiative. Miss Gill, the sponsor, finds the girls helpful each day, by their management of games in the gym classes as well as the intra-mural contests after school.

In the fall, after the Sophomore, Junior and Senior applicants have submitted their names and reasons for wishing to become Leaders, their school records are examined, and they are scored on all counts. Early in the semester the girls are informed of their selection, and after an informal initiation they become qualified to aid in the direction of student athletic activities.

# Memories

—■—

Deary Diary:

September 5th ushered in the new school year and filled the halls of Shore with hundreds of sun-beaten hopefuls.

Norma and Gorman Booster made their debut at our first football game which was held at Ashtabula on the 14th. (We lost 25-13.)

We celebrated our first conference victory over Brush (19-13) with a Kick-off Dance on the 21st.

In a night game, on the 28th, Shore swamped a highly rated Bedford eleven 19-6. The next night, Shore hostesses opened their doors in the form of many gay open-houses.

With October 5th, came another smashing victory over Orange (58-6), celebrated by another dance.

On the 12th, our title hopes were swept away with a loss to Garfield (7-0) mourned by a dance in the old gym.

Shore drowned the Mayfield team (41-0) in a puddle of water. And we do mean puddle! On the 19th of October, that is!

A football battle of sexes, on the 21st, proved enlightning to bystanders.

On the 26th the N.E.O.T.A. holiday was celebrated with a rather chilly hayride. Also that day the Admirals trounced Maple Heights (23-0).

The 3rd of November brought the last and most important game of the season. We defeated Euclid Central 33-0, had a dance, and crowned Donna Morris our football queen.

We heralded a Thanksgiving Holiday with a dance, on the 9th of November.

On the 16th and 17th, the long awaited junior play, "Nothing But The Truth," was a big success.

22nd and 23rd—Thanksgiving Vacation ! ! ! ! ! ! !

Gala Night, on the 30th, gave Shore talent a chance at the limelight.

We opened our basketball season on the 8th of December, defeating Willoughby, 41-26.

We avenged our football defeat to Ashtabula on 18th, by defeating them at basketball 38-31.

On the 21st, a victory over Garfield crowned Shore's quintet basketball kings of Eastern Conference.

The 22nd, Hahn's had 44 at a Washington's Birthday party. Washington was unable to attend.

The opening night of the N.E.O. basketball tournament, which was February 27th, brought forth 4 victors, which were Mentor, Lakewood, Lorain, and Painesville.

The next night brought Heights, Bedford, Maple, and Brush forward, to enter quarter finals.

March 1st, handed Lakewood, River, and Shaw victories.

Dear Diary, March 2nd was a sad night for even though River and Bedford downed tough opponents, Shore lost a hard fought battle to Lakewood.

March 8th, Shaw and Lakewood came out to face each other on the morrow.

The 9th, brought the tourney to a close with Lakewood taking the trophy. River captured the consolation trophy from Bedford.

On the 12th, the seniors began work on their play, "Mr. and Mrs. North."

The 15th, brought a St. Patrick's Day dance sponsored by the juniors. Chuck Hill became their king.

The bright lights shining forth from the auditorium the week of April 1-5, meant simply that the seniors were hard at work on their play.

The long awaited nights of 11th, 12th, and 13th and the presenting of "Mr. and Mrs. North", arrived, giving success to the seniors and enjoyment to the audience.
